

# OUR VIEW ON COLLABORATION

## THE WORLD TODAY

## WHAT DOES THIS MEAN FOR TEAMS?

Shifting team performance  
from good to great

Playing to individual  
strengths, embracing diversity

PROFIT

## OUR APPROACH

We believe: great trust, great collaboration, great results

Away-days supported by a team coach to guide, support and challenge your development.

### Step 1: Define and Align:

- Clarify the current context, define success and metrics
- Align on critical priorities that support your core purpose
- Define ways of working for a high performance culture

### Step 2: Optimise Collaboration

- Develop self-awareness
- Embrace your team members' different strengths
- Practice constructive conflict
- Build trust

### Step 3: Review and build

- Measure success metrics, celebrations and learning
- Resolve beliefs and behaviours to achieve next level
- Plan for next 12 months

*Collaboration is more than just a way to get work done and deliver results. It's a way that people in the workplace connect, develop relationships and find meaning in their work*
